

**DREAM IT,  
WE BUILD WITH YOU!**

**SUSTAINABLE REAL ESTATE AND PORTFOLIO MANAGEMENT**

# ABOUT US

**McDREAM CONCEPTS LTD**

We are a trusted name in real estate development and construction, providing top-tier residential, commercial, and mixed-use projects across Nigeria.

At McDream, we build beyond walls— we build sustainable communities where families, businesses, and investors thrive.

# VISION & MISSION

## OUR VISION:

To become one of West African's most trusted and innovative real estate and investment companies, delivering affordable, sustainable projects that redefine modern living and enrich communities.

## OUR MISSION:

Our goal is to be a customer-centric real estate company committed to delivering value-driven solutions through strategic partnerships, while promoting secure property ownership, profitable investment opportunities, and long-term economic prosperity for our clients.

# OUR CORE VALUES

**INTEGRITY**

Transparency and accountability in every transaction.

**INNOVATION**

Leveraging technology and creativity to enhance project delivery

**SUSTAINABILITY**

Building with the future in mind.

# OUR SERVICES

We develop and sell modern residential and commercial properties that meet today's needs for comfort, space, and investment value.

## Our Residential Portfolio includes:

2-bedrooms apartments

3-bedrooms apartments

4-bedrooms terrace duplexes

5-bedrooms stand alone duplexes

Each unit is designed with precision, incorporating energy-efficient systems, modern interiors, and quality finishing.

### PROPERTY MANAGEMENT

Our management team ensures that every property retains its value through professional oversight covering tenant relations, rent collection, maintenance, and facility upgrades.

### PROPERTY VALUATION

We provide accurate, research-based valuation reports that guide clients in decision-making for sales, acquisition, or portfolio expansion.

### COMMERCIAL PROPERTY DEVELOPMENT

The development group specializes in strategic commercial property development, focusing on delivering economic anchors designed to provide exceptional, long-term returns. The firm's mandate is to create modern, future-proof infrastructure that enhances urban life and commerce.

**PROVEN TRACK RECORD:** The Tropicana Mall Project The flagship success, the Tropicana Mall Project, demonstrates the development group's capability to execute large-scale, high-impact commercial developments.

**Result:** The Mall has successfully transformed into a premier retail destination, driving significant economic activity and establishing a regional benchmark for retail excellence and architectural quality.

**Significance:** The Tropicana Mall confirms the commitment to delivering profitable, pioneering commercial assets.

### THE GROWTH PIPELINE:

Upcoming Commercial OpportunitiesThe group is leveraging its established expertise to introduce the next generation of investment-grade commercial projects. These developments address distinct market needs and are engineered for high growth and maximum advantage.

#### 1. AZUZAH SHOPPING PLAZA

**DEIDEI** This project is positioned as a strategic retail hub in a rapidly expanding, high-traffic residential area. The primary focus on Retail Density guarantees maximum market penetration and high consumer volume capture for all tenants and investors.

2. Quesnelia Office Apartment and Residential Project This development represents Mixed-Use Mastery. It is a premium asset that integrates Class-A corporate office space with luxurious residential apartments in a single complex. This concept offers a unique, balanced investment catering to both the corporate housing and commercial real estate markets, driven by unparalleled tenant convenience.

compliance

# PROJECT PORTFOLIO

## RESIDENTIAL DEVELOPMENTS

Our estates are built to accommodate diverse lifestyles, with well-planned spaces, secured environments, and premium infrastructure.

Located in strategic areas, these developments offer access to major city centers while maintaining tranquility and privacy.

## COMMERCIAL DEVELOPMENTS

Our signature project—Tropicana Mall—stands as one of Northern Nigeria's most prominent commercial landmarks.

Designed as a vibrant business and leisure hub, the mall integrates retail, dining, and entertainment facilities in a contemporary architectural design.

We also develop office complexes and mixed-use buildings that enhance business operations and attract high commercial value.

## INDUSTRIAL AND WAREHOUSING

We deliver durable, scalable, and secure spaces for manufacturing, logistics, and storage. Each project meets safety regulations and supports business expansion.

## **TROPICANA MALL OFFICIALLY COMMISSIONED IN KANO**

The vibrant city of Kano witnessed a major milestone on 30th September 2025, as McDream Concepts Ltd officially commissioned the newly completed Tropicana Mall, located at 17/19 Niger Street, Kano State.

Formerly known as Thurayya Tropicana Mall, the iconic commercial hub stands as a proud symbol of innovation, growth, and partnership between McDream Concepts Ltd and Royal Tropicana Hotel Ltd.

Built on a 1.1-hectare land, Tropicana Mall boasts 624 modern shops spread across three floors, each unit designed for convenience, safety and accessibility.

The commissioning ceremony drew an impressive line up of notable dignitaries and industry stake-holders. In attendance were the Honourable commissioner for Commerce, Kano State. The Chairman of Royal Tropicana Hotel, Alhaji Abdullahi Aliyu, representatives from Keystone Bank, as well as key market leaders from Singa and Quarry Market.

Also present at the grand event were the Chairman & Project Coordinator McDream Concepts Ltd, Engr Ismail Zubair and the Managing Director Engr A.S Yunusa whose vision and leadership have been instrumental in bringing this landmark project to life.

Speaking at the event, the leadership of McDream Concepts emphasized that the completion of Tropicana Mall marks a new chapter in Kano's commercial landscape, that encourages trade, supports local entrepreneurs, and strengthens Nigeria's real estate and investment potential.
